### NONCOMPLIANCE SUMMARY

**Violation of Mandatory Condition No. 3:** “You must refrain from any use of a controlled substance. You must submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the court.”

**Nature of Non-compliance:** On June 27, 2022, Tunchez tested positive for marijuana via a sweat patch. Additionally, on July 6, 2022, he submitted a positive urinalysis for marijuana which was due to residual marijuana usage.

**U.S. Probation Officer Action:** The contact was made with the defendant to discuss his illegal drug usage. The defendant admitted to use of marijuana verbally and in writing. Tunchez admitted to using marijuana to cope with learning his father was diagnosed with stomach cancer. It is respectfully recommended that no Court action be taken at this time, and that the offender be allowed to continue substance abuse/mental health treatment so he can continue working on correcting his impulse control and substance abuse issues.

Accordingly, the Court reserves the right to revisit this allegation in the future. In addition, should Tunchez incur any further violations, the Court will be notified immediately.

Respectfully submitted,

Bartosz Szatkowski  
Sr. United States Probation Officer
